Are you available Oct. 24, 25, or 26. The judge is looking to move this a couple weeks.

Chris,

I am also available on both of those days (as of now). I will let you know if anything changes as I have one case that is up in the air this week (since you are Superior, you do have priority).

Hi Della and Sonja,

This case is still on for trial on October 12. The defense attorney just finished a trial in New Hampshire and is going to try to get another date. He has also suggested that this will probably be a plea anyway. Right now, however, I think the judge is going to hold his feet to the fire and force the trial or a plea. In that regard, I want to make sure I am ready if this case goes. Are either or both of you available on the 13th or 14th next week. It is likely I would need you on the 13th as this should be a very quick case.

Please let me know.
